• Description of the Business.

EMBLEM SECURITY AND CLEANING SERVICES (PTY) LTD has identified an opportunity of providing a much needed service through the provision of security and cleaning services. The investors and corporate owners need to ensure that their investments are secure at all times – hence the much needed security service. This in turn is expected to achieve success for the business.

The company's services are focused and targeted at various institutions in South Africa and these include; individuals, companies, schools, shopping centres, town houses, building complexes as well as office blocks and government institutions. We pride ourselves in providing a superior and proactive security and cleaning service, with much emphasis placed on professional approach to business and comprehensive solutions.

An extremely important factor in the success of a business entity is the adoption of a hands-on approach by Management, when it comes to service delivery. To this end our Management is committed to assist the subordinates in their day-to-day duties, as way of getting to understand the situation on the field.

Currently the company has managed to clinch a security deal to provide security services for three different trading companies. We are also concluding deals with various embassies, mainly based in Pretoria.
